Committee Proposal Form

Before nominating someone for a role on the Liss RBLC Committee, think about whether they are suitable for the role.

- Does the person have the necessary experience?
- Do you think that they would represent the club in a positive light and contribute towards its development, growth and sustainment?
- Are they an individual who is generally liked and respected by the section and its members?
- Most importantly, does the person wish to commit to filling the role for a period of 12 months or more? If you're unsure about that last bit, ask them!
